

Roller Blinds

Roller Blinds

Home Outlet offers the simplicity of a classic roller blind but with a modern twist. The days of the only option being plain white are gone - our rollers include a wide variety of colours, materials and weaves to fit every decor and budget. Our choice of styles and colours allows you to put together a chic contemporary look for your home or office.

Select from a translucent screen or blackout fabric to meet your needs in each particular room.

Roller blinds are available in CUSTOM MADE or READY TO HANG.

CUSTOM MADE ROLLER BLINDS

Allows you to select from over 70 colors and exactly match the color selection of our panel glides and roman blinds. Home Outlet's custom made blinds are made in Australia to the highest possible standards. All blinds comply with safety regulations. Home Outlet's uncompromising attention to detail ensures the finest finish available - LEADERS IN QUALITY BLINDS.

READY-TO-HANG ROLLER BLINDS

(FROM \$39.95) Up to 70% less than custom made rollers and are available in 7 popular fabrics including viewscreen and blackout fabrics. The fabrics and mechanisms are of a custom made quality and standard. Home Outlet's ready-to-hang roller blinds are available in 6 standard widths. The roller blinds are designed to be WIDTH ADJUSTABLE meaning they can be trimmed in width to fit any window up to 210cm wide. Get CUSTOM MADE QUALITY AT A DISCOUNT READYMADE PRICE. This product is fantastic for Do-It-Yourself (DIY) allowing you to SAVE huge amounts of money while not compromising on quality.
